

Foundation Software Laboratories, Inc. & LAN Associates, Inc. Announce a Strategic Partnership Focused on Law Firm Automation

Annapolis, MD (June 1, 2004) – Foundation Software Laboratories Inc. (fslipartner.com), a leader in Financial Management Software for the Legal and Professional Services industries, and LAN Associates, a premier networking and systems integrator announced a strategic partnership focused on law firm automation.

"We are thrilled that LAN Associates has recognized FSLI as a leader in innovative financial management software for the legal community. With this partnership, FSLI customers will now be able to take advantage of the networking and systems expertise of one of the industries leading systems integration firms."

- Carl Mack, President and CEO of FSLI.

"LAN Associates is pleased to join forces with FSLI to optimize the infrastructure of today's law firm. Our consulting and design services, networking/computer expertise and technical support services provide the platform for law firms wishing to automate systems and upgrade to a state of the art financial management system like FSLI."

- Michael Goldstein, Vice President, LAN Associates

About Foundation Software Laboratories, Inc.

FSLI is a developer and marketer of innovative financial and practice management software for medium-to-large size law firms. Since 1981, FSLI has been helping law firms reduce costs and increase profitability by improving the efficiency of their accounting practices. FSLI has kept pace with technology, creating five complete generations of product over its history. Version 10 of PD Partner runs on the Microsoft™ Windows/SQL platform. With deployments ranging from 8 to over 1700 timekeepers, FSLI offers significant benefits to any size firm. FSLI, a privately held company, is headquartered in Annapolis, MD.
